				List Price Bottle	Bin End Bottle
100	France	Bonnes Mares 2001, Domaine Drouhin-Laroze	Burgundy	155	105
<p>“The Drouhin wines, never showy, manage to combine restraint and polish with an abundance of flavour interest.” Robert Parker, 90-92/100.</p>					
101	France	Château Pichon-Longueville-Comtesse de Lalande 1996, Pauillac	Bordeaux	300	200
<p>“The 1996 Pichon-Lalande is just as awesome from bottle as it was from multiple cask tastings...The colour is a saturated ruby/purple. The nose suggests sweet, nearly overripe Cabernet Sauvignon, with its blueberry/blackberry/cassis scents intermixed with high quality, subtle toasty new oak. Deep and full-bodied, with fabulous concentration and a sweet, opulent texture...Could the 1996 turn out to be as extraordinary as the 1982?” Robert Parker, April 1999, 96/100.</p>
